# WHAT IS FAMILY FUTURES?

Family Futures is a 3-month extracurricular programme for Year 9 students and their parents / carers, from the University of Surrey's Widening Participation & Outreach (WPO) Team.

Through weekly live webinars, exclusive access to our Online Resource Portal and two special on-campus events, families will:

1) discover the range of available pathways;
2) develop their research and reflective skills;
3) gain the confidence to pursue aspirations.

This programme is fully funded (subject to selection criteria), with all resources provided free of charge.

**"I loved having the opportunity to discuss my education and future."**
YEAR 9 STUDENT

**"It has made me talk to my child about how he thinks of himself and to help him believe in himself."**
SUPPORTER

**"It helped me decide what I wanted to do a little more."**
YEAR 9 STUDENT

At the end of the programme, 100% of students agreed / strongly agreed that they *understand the educational pathways open to them in the future*
